Dear Mr. Lehrer:

On August 26, 1975, Order Number 2A-75-1045 was issued to you by the Department of Natural Resources. It has been noticed, after a close review of the order, that provision number 4 of the order section has a mistyped date in it. The date for submission of an acceptable abandonment plan under that alternative should be April 1, 1976 and not April 1, 1975. Therefore, order provision number 4 is hereby amended to read as follows:

"4. In lieu thereof, or in the event that the hydrogeologic investigation indicates that the area is not suitable for continued operation of a solid waste disposal facility, the order recipient shall by April 1, 1976, submit to the Department of Natural Resources an acceptable abandonment plan for the complete and total abandonment of said facility by October 1, 1976. The order recipient shall then terminate said operation and close and abandon said solid waste disposal facility in accordance with ss NR 151.12(10), Wisconsin Administrative Code, and the approved abandonment plan delineated above."

Dated at Madison, Wisconsin, this 29th day of September, 1975.
